REMARKS

The indication by the Examiner of allowable subject matter in claims 1-4 is gratefully acknowledged.

By the present Amendment, claims 1-4 have been amended to eliminate the indefiniteness pointed out by the Examiner.

Also by the present Amendment, a new sheet of drawing is submitted that shows schematically as Fig. 3 a drawbar embodiment of the invention that is described in the last paragraph on page 3 of the specification, the first paragraph on page 4, the second paragraph on page 7, the Abstract and original claim 2. In addition, a brief description of Fig. 3 has been added to the specification; and the paragraph beginning at page 7, line 4 has been amended to indicate that a drawbar embodiment is shown in Fig. 3 and that the drawbar has the reference numeral '32'.

In view of the foregoing, it is submitted that all of the claims are allowable and that the application is in condition for allowance. An early notice to that effect is respectfully requested.

The Commissioner is hereby authorized to charge any deficiency in fees or to credit any overpayment in fees to Attorney's Deposit Account No. 50-0562.

Respectfully submitted,
